The Langley Farm Bloodhounds, landowners and all associates within our organisation do NOT accept nor hold liability to anyone who joins us mounted or on foot. You are responsible for your own safety by turning up at the meet you are in full agreement to these conditions.

Polite reminder Caps are due from everyone unless either master has made arrangements with you prior to the meet. We are a small and self funded hunt and our overheads massively exceed any income, we run at a considerable loss each season. A cap is a small donation towards the cost of keeping our wonderful hounds and horses, as well as the hidden kennel costs, hunt truck, jump materials etc
